steelseries SIBERIA USB
FULL-SIZE HEADSET

steelseries
professional gaming gear

Product description

People that strive for stylish design can't go wrong with the SteelSeries Siberia Full-size Headset. With its glossy white color and looks it has a lot of appeal to gamers as well as design-oriented PC users.
The headset is specifically designed for a multitude of uses including MP3-players, laptops, Sony PSP and other portable consoles as well as HiFi & IP-telephony with the separate unidirectional microphone. With 1,8 meters of cord you can be sure not to run out of cord in any situation. The USB version includes a USB soundcard, featuring 7.1 virtual surround sound which is a great alternative for your on-board soundcard.
